INDIA ELECTRONICS EXPO 2027 - INDELXPO

Your Gateway to Global Electronics Business

With India's electronics exports surpassing USD 48 Billion, and the world actively rewiring its supply chains toward India, the opportunity in front of Indian manufacturers today is generational. Manufacturing ecosystems are maturing, global trust is strengthening, and serious buyers—from 70+ countries —are arriving with budgets, briefs, and the intent to sign.

INDELXPO 2027 puts you directly in buyer's path.

Organised by the Electronics and Computer Software Export Promotion Council (ESC) with the support of Ministry of Commerce & Industry, INDELXPO is India's most powerful export-focused electronics platform—built not for browsing, but for business.

This is India's electronics moment—and INDELXPO 2027 is where conversations convert into contracts, connections evolve into partnerships, and ambition transforms into global business.

BUYER TESTIMONIALS

My first visit to India Electronics Expo was highly impressive. The event reflects India's readiness to play a larger role in global technology and supply chains. Productive meetings with exhibiting companies have opened strong sourcing opportunities making this a must-attend platform.

Kyaw Swa Oo,
Managing Director,
sLife Co. Ltd., Myanmar

A highly rewarding experience with extensive business interactions and promising partnerships with exhibiting companies. India Electronics Expo offers exceptional opportunities for global collaboration in electronics. We look forward to participating again.

Tatyana Tsvetkova,
Operations Director,
KazAviation, Kazakhstan

India Electronics Expo 2026 was an excellent experience—offering valuable interactions with leading companies and strong potential for business partnerships. I sincerely appreciate ESC India for fostering meaningful international engagement. I look forward to returning next year.

Mable Nabakooza,
Director, Mablegi Enterprises
Ug. Ltd., Uganda

EXHIBITOR TESTIMONIALS

INDELXPO 2026 proved to be a high-value platform for global outreach—delivering quality engagements, structured B2B meetings, and meaningful business opportunities. We were able to generate meaningful leads and explore new collaboration opportunities, making it a truly worthwhile participation

Abhinav Gupta,
AGM & Technical Lead,
Atlantis Robotics Pvt. Ltd.

A highly professional platform that enabled us to present our innovations, connect with key decision-makers, and build strong business relationships. Participating in India Electronics Expo 2026 has been an exceptional experience for Tesca Technologies.

Ashutosh Agarwal,
Director,
Tesca Technologies Pvt. Ltd.

The India Electronics Expo is consistently a rewarding platform that enhances our outreach and reinforces our commitment to participate year after year. We engaged with industry leaders, showcased our capabilities & gained valuable insights into the evolving electronics ecosystem.

Varun Manwani,
Director,
Sahasra Electronics
